

September 16 – 18, 2011

**Tenth Annual
Darcy Edmonds
Memorial Tournament
September 16 – 18, 2011
Gloucester, Massachusetts**

This tournament is being held in memory of our Storm teammate, Darcy Edmonds. Darcy, the 29-year-old goaltender of our team, was killed in a one-car accident near her home in Connecticut on June 4, 2001.

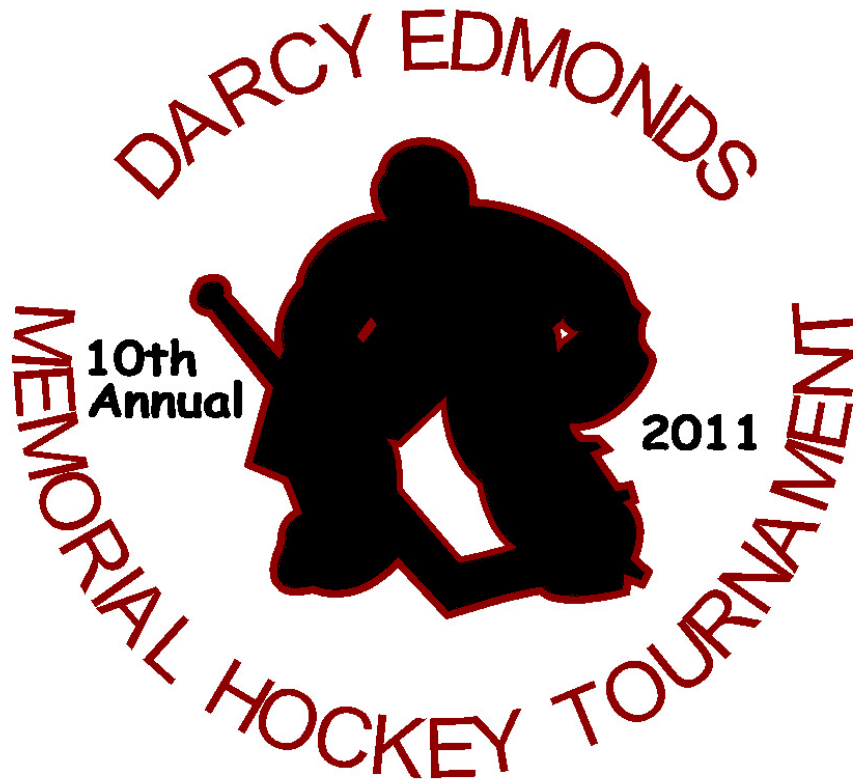

In addition to being a respected and spirited member of the Storm Women's Ice Hockey Team, Darcy, deaf since the age of 9, worked for the American School for the Deaf in West Hartford, Connecticut helping other hearing-impaired people learn to live on their own. Darcy was scheduled to begin coaching ice hockey in the fall of 2001 at Holy Cross College as part of a program for deaf and hard of hearing children called "DEAFinitely Hockey for the Deaf".

The Darcy Edmonds Memorial Tournament monies were originally donated to the "DEAFinitely Hockey" program. Additionally, a hockey scholarship was established for a player within the program to help pay for equipment and ice time. In 2010, Mass Hockey took over the "DEAFinitely Hockey" program. Tournament monies are now donated to various charities and are voted on by tournament participants. Last year's charity was the American Diabetes Association. This year, the committee has decided that all monies raised by this year's tournament will go to the "A Shot For Marnie Fund". Marnie's story is included in the program. I hope that you agree that this is a worthy cause.

In addition, if you and/or your team would like to send an added contribution, please make your check out to the Darcy Edmonds Memorial Fund and mail it to:

Thank you for your support and contributions.
Sincerely,
The Storm Women's Ice Hockey Team

**Monies collected during this memorial tournament
will be added to “A Shot for Marnie Fund”**

Marnie Kelly-Crook is 41 and lives in Natick, MA with her husband Tom and two young sons, Nate and Alex. Marnie has played hockey for years on the O'Thirties out of Natick, the Cougars D in the South Shore Women's Hockey League, and the Friday morning Eagles in Waltham. After playing in the AOK Tournament in Walpole last May, Marnie noticed a pain in her hip. That pain was eventually diagnosed as bone cancer. Marnie also has stage 4 primary lung cancer and has been given one year by her doctors. Her husband lost his job a month before her diagnosis. Marnie had her own successful social work practice that she had built up over the years which she has had to close down. To help Marnie and her family during this emotionally and financially difficult time, her hockey friends have gathered to raise money. Marnie is a fighter, help us help her keep up the fight.

Marnie's friends and family thank the Darcy Tournament for their donation to her cause.

A Special Thanks to all who helped make this Tournament a success.
